dedication

(Look in here)

This book is dedicated to you, the student, the teacher, the administrative person, staff person, or whoever you are in the Huron Community. We, the staff of the '77 TIGER, hope you will find between the covers of this book what you looked like, a little of what you did, and even a little of what you felt in the year of our Lord, nineteen hundred and seventy-seven.

I want to share a mirror—
a reflection of this place we
call school.

The mirror is huge,
the reflections are many.

Changes and Trends Of the Nation Affect HHS

Three televised debates were one of the national events which had an effect on the students at Huron High. The debates, the first ever between an incumbent president and his challenger, showed the American voters two closely matched candidates. A turnout of 80 million Americans went to the polls to choose their next president in November. Jimmy Carter won 51 per cent of the popular vote to 48 per cent for Gerald Ford.

It's time for a change as the metric system is seen more and more in everyday living. New car owners have discovered that their speedometer shows both miles and kilometers per hour. Weather reports are given using Celsius and Fahrenheit urging Americans to learn the unfamiliar units of measure.

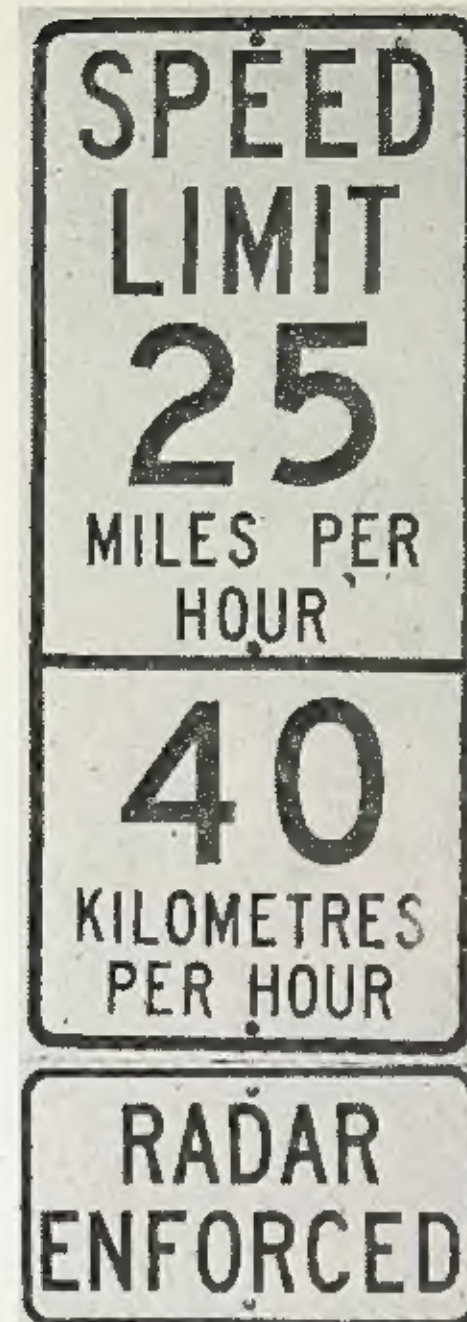

Space travel once again captured the public's imagination as Viking I made the first successful touchdown on the planet Mars.

Washington set out to inoculate America against a virus called Swine Flu but the shots were stopped when some people who got them came down with a rare paralysis.

Fads were born and reborn. Discotheques boomed, and with them "the bump". Skateboards came back. The citizens-band radio bug bit 15 million Americans.

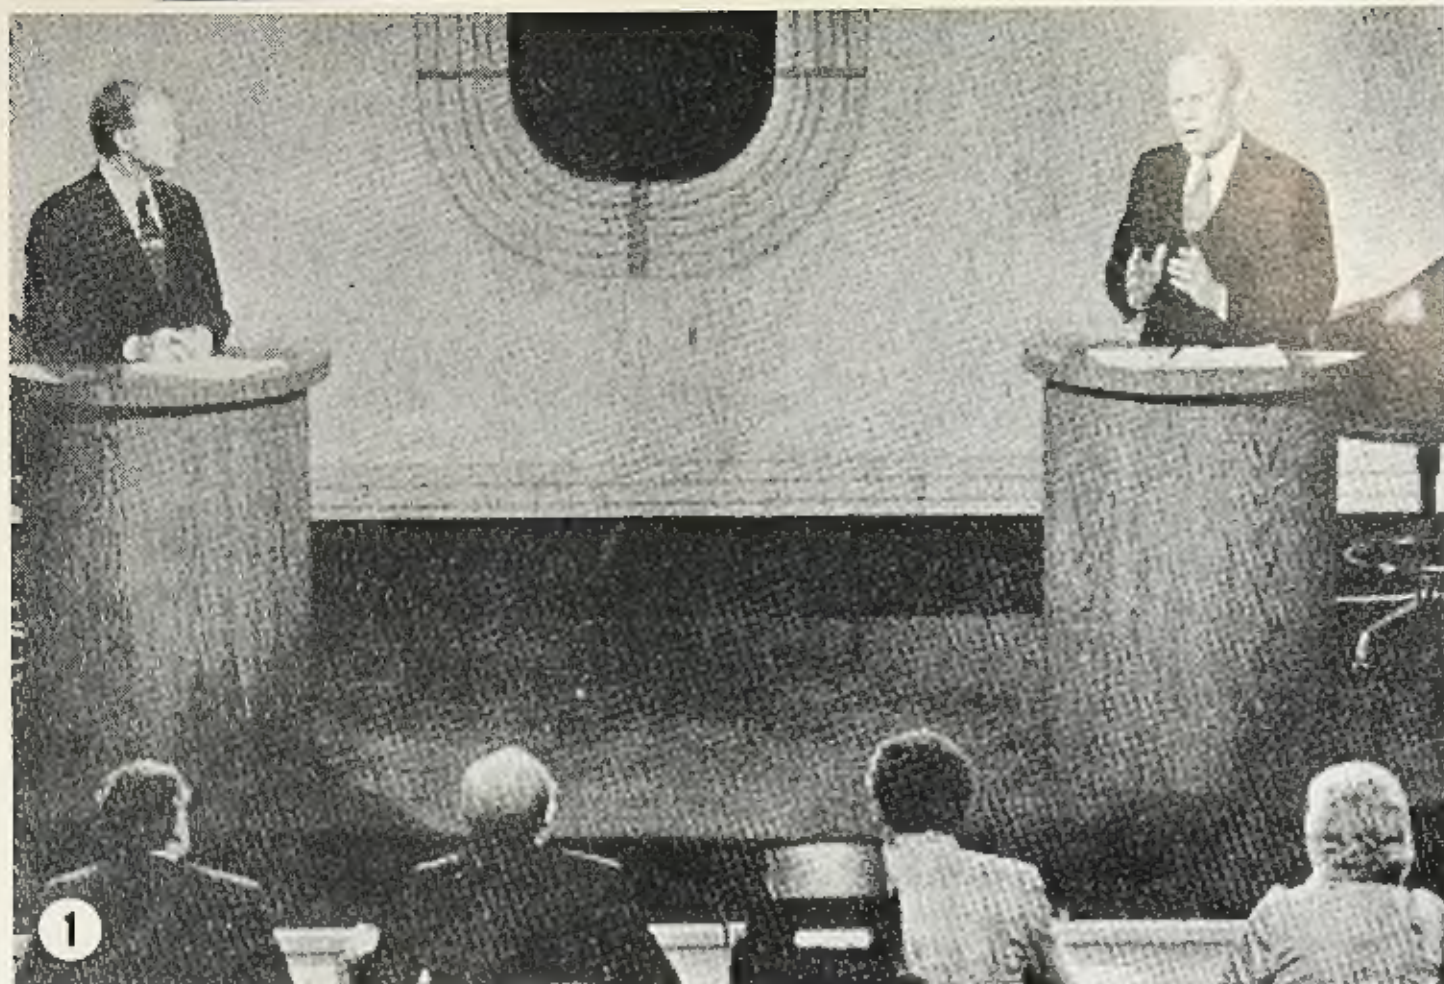

T.V. produced Fonzie, 'Charlie's Angels' and 'Roots'. Peter Frampton super-starred in U.S. rock. The Oakland Raiders took the Super Bowl over the Minnesota Vikings.

All this and more left impressions on the students of H.H.S.

Urging Americans to learn the unfamiliar units of measure, the signs on today's highways show both miles and kilometers per hour. Below: The men of HHS think they are already in heaven when they watch 'Charlie's Angels.'

1. President Ford and Jimmy Carter confront the issues.
2. Gary Gilmore at last received his death wish: the first man to be executed since 1967.
3. Barbara Walters: the first million dollar-a-year woman news-caster.
4. Betty Ford got a CB and a handle: First Mama.

1977: A Year of Troubles And Good Times

Because of the lack of rainfall, South Dakotans experienced one of the driest seasons on record. Many candidates who campaigned for the 1976 state election used the drought as a campaign issue.

The Huron Public School system expanded its vocational program this year. There were 255 juniors and seniors who enrolled in the eight vocational courses offered. Classes began the first day of school at leased sites, while the facility was being constructed west of the senior high school.

Another change at Senior High included the construction of the outdoor study area located between the school and the gym.

One of the best musicals ever presented by the Huron High School drama and music department was "Guys and Dolls." It was well received by all who attended.

The massive Oahe Irrigation project continued to be a very controversial issue in our community. An election was held in the fall for the Oahe Board in which five out of six incumbent directors lost their seats to challengers who generally said they had some questions about the project's design, effect and purpose.

Bureau of Reclamation surveyors drill through the ice at the very shallow Lake Byron to see how much water the area will hold when it becomes a reservoir for the Oahe Irrigation project. Below: Construction of the Vocational School continued at a slow pace.

This scene with the Mission Band was only one of the great moments in the smash hit "Guys and Dolls" presented by the high school music and drama departments. Below: Drought hit South Dakota with a vengeance

Ginny Avery, a 5'6" senior with brown hair and brown eyes, was selected by the student body to represent Huron Sr. High School in the Miss Holiday Contest. Twenty-nine girls competed in the Holiday Tournament which was sponsored by Huron College and the Huron Daily Plainsman.

Ginny is the State President of the Future Business Leaders of America, President of Pacesetters, Features Editor on the Annual Staff, Homecoming Queen Candidate, has participated in Nike Club, Pep Club, German Club, and various musical organizations.

Cherry Prom Break Tradition

In years past, the Cherry Prom King and Queen have been selected from the sponsors of the dance, the TIGER STRIPES staff. Because of selectiveness and little involvement, the tradition was changed by selecting candidates from Pep Club and Key Club.

This year, the tradition was broken again; only this time, there was no club discrimination, no qualifications, and few criticisms. The 1977 Cherry Prom King and Queen were selected by those students attending the dance. As the seniors entered, their names were written down and at 10:15 a ballot was typed and candidates were picked.

We feel that because the dance was such a success with its attractive decorations, tremendous band (it even came), and the hard work put into planning, that we must commend Sharon Fodness and the rest of the TIGER STRIPES staff for a job well done!

Tiger Fans Unite

Pep Club created terrific school spirit and enthusiasm for HHS competitive sports in 1976-1977. Assemblies brought about joined forces for all classes. The members also decorated halls and lockers for all athletes.

Membership in Pep Club is open to any high school student who wishes to support the Tigers. Mrs. Karen Mueller was the adviser.

Senior class members (with twice as much spirit) were, back row: Andrea Hanson, Susan Bell, Faith Dahl, Carmen Lang. Third row: Laura Brinkman, Renee Hanson, Michelle Nelson, Deb Erickson. Second row: Renee Hanson, Deb Erickson, Michelle Nelson, Susan Bell. Front row: Andrea Hanson, Carmen Lang, Laura Brinkman, Faith Dahl.

1976-77 Pep Club Officers were left: Gail Sanderson (Secretary-Treasurer). Top: Faith Dahl (President). Right:

Pep Club Excites

Jean Hirtzel (Vice-President) and Mrs. Karen Mueller, advisor.

Sophomore Pep Club members were back row: Lisa Burnison, Andrea Hamilton, Jenny Silbernagel, Tammy Erickson, Christy Eskew, Kelly Walker, Paula Almond. Middle row: Pam Axtman, Sherrilee Lush, Mona Davis, Sheila Sexton, Pam Marvel, Kathy Prue. First row: Linda Cernick, Terry Stuhl, Belinda Shelton, Mary Keintz, Rhonda Anderson, Gerri Solon, and Debbie Gutzmer.

Junior Members were, back row: Kathy Hull, Mary Jo Stahl, Karen Lee, Sherri Schoepf, Dawn Sheple, Jean Hirtzel, Gail Sanderson. Third Row: Teresa Malkowski, Becky Mundt, Nancy Rohrer, Deb Finnerty, Penny Palmer, Brenda Mausbach, and Debbie Franks. Second Row: Shirley Andol, Beth Wilkens, Linda Kinyon, Christi Cole, Vicki Henkel, Tanya Harris and Velma Peterson. Student Senate Gets the Job Done

Student Senate members had a very photogenic year, just look at the front row: Mark Reilly (Pres.), Dennis Reilly, Greg Starnes, Doreen Burnison, Mary Housiaux, Charlie Hanson and Greg

Strommen (Vice Pres.). Back row: Todd Starnes, Sharon Fodness, Vince Watkins, Carolyn Burnison, Barb Burnison, Julie Janes and Brice Johnson.

The Student Senate undertook several projects in addition to their responsibilities of the student lounge and dances. They did a great deal of work on homecoming, erected a wooden fence for the outdoor

lounge and also acquired several concrete benches. They also wrote a completely new constitution. As usual, the infamous S.S. picnic was a success.

National Forensics League Honors

Speech Students

National Forensic League is an honor society for speech students. Students participating in N.F.L. must be active in speech events or contests throughout the year. Delight the Crowds

The Huron High School Pacesetters is a drill team made up of sixteen regulars and four alternates.

Throughout the year, these girls performed for various football and basketball games. Their outstanding performance, however, was their last: at the Boys Basketball State A Tourney in the Sioux Falls Arena. As a "grand finale" each girl ripped into the splits, as shown above at a practice performance in Huron.

The Pacesetters are under the direction of Mrs. Mary Severson, adviser; Ginny Avery, captain; and Sharon Fodness, co-captain.

DECA Prepares Students

for Business World

Members of the Distributive Education Clubs of America get help with specific plans by studying outside the school with part-time jobs sponsored by Huron business establishments. DECA is the only club in HHS that helps students learn how to be future leaders in marketing and distributing, while allowing them to get experience in their chosen field at the same time. Activities included regional and state DECA contests. Bruce Maxwell was DECA advisor.

Paper Staff Keeps Students Informed

Through a few headaches and disappointments the students of HHS worked diligently throughout the school year to publish the monthly issue of the **TIGER STRIPES**. The paper is put out for the students of HHS to keep them informed on school events and happenings. In the January issue, the **TIGER STRIPES** staff put their heads together and came up with an imaginative new column: "Feature Creature" It caused quite a few laughs among the readers, and quite a bit of embarrassment to the monthly "feature creature."

Editor-in-Chief, Mark Stoz, struggled with the staff to get their articles in on time, and typists to type them, but eventually the work was done. All-in-all the staff had a pretty good and eventful year. As the last issue of the **TIGER STRIPES** went into print, the staff sat back and sighed with a smile, of course the seniors on the staff smiled bigger and sighed even longer than the other members because this marked the end of their high school journalism years.

TIGER STRIPES editors were: Greg Strommen, Sharon Fodness and Mark Stotz.

Assisting the editors were, front: Matt Denison, Sheri Gutzmer, Vicki Neitzel, Bob Landstrom Back: Sandy Gortmaker, Sandy Huber, Lorna McMillan, and Greg Starnes.

Select Musicians Represent HHS at All-State Band Meet

The 27th annual All-State Band was held in the Huron Arena March 26, 1977. Approximately 1500 South Dakota students from 200 schools auditioned for the 168 seats, with only 62 schools being accepted. A panel of four highly qualified judges selected these outstanding musicians. Major Allen C. Crowell, associate bandmaster from the U.S. Army Band was the guest conductor, and Sergeant First Class (SFC) Jeff Arwood a 1963 HHS Graduate was the featured tuba soloist along with the U.S. Band.

First Year Harriers Face Fierce Competition

Competing for the first year, under Coach Leroy Stevenson, the Huron Girls' Cross Country team met with fierce competition throughout the 1976 season.

The girls started the season with a first place finish at the Redfield Triple Dual. They then took third at the Mitchell Invitational, fourth at the Huron Invitational, and fifth at the Watertown Invitational. The girls next traveled to Brookings for their first E.S.D. conference meet. Here they took a strong fourth place team finish. Carolyn Burnison, the lone finisher for the Huron girls, placed sixth. Back on their home course for Regionals, the girls ran to a second place finish behind Pierre, which qualified them for the state meet in Brookings. Carolyn Burnison led the team to a sixth place finish, and an individual tenth for herself.

Tiana Weston was voted Most Improved Runner, and Carolyn Burnison was voted Most Valuable Runner.

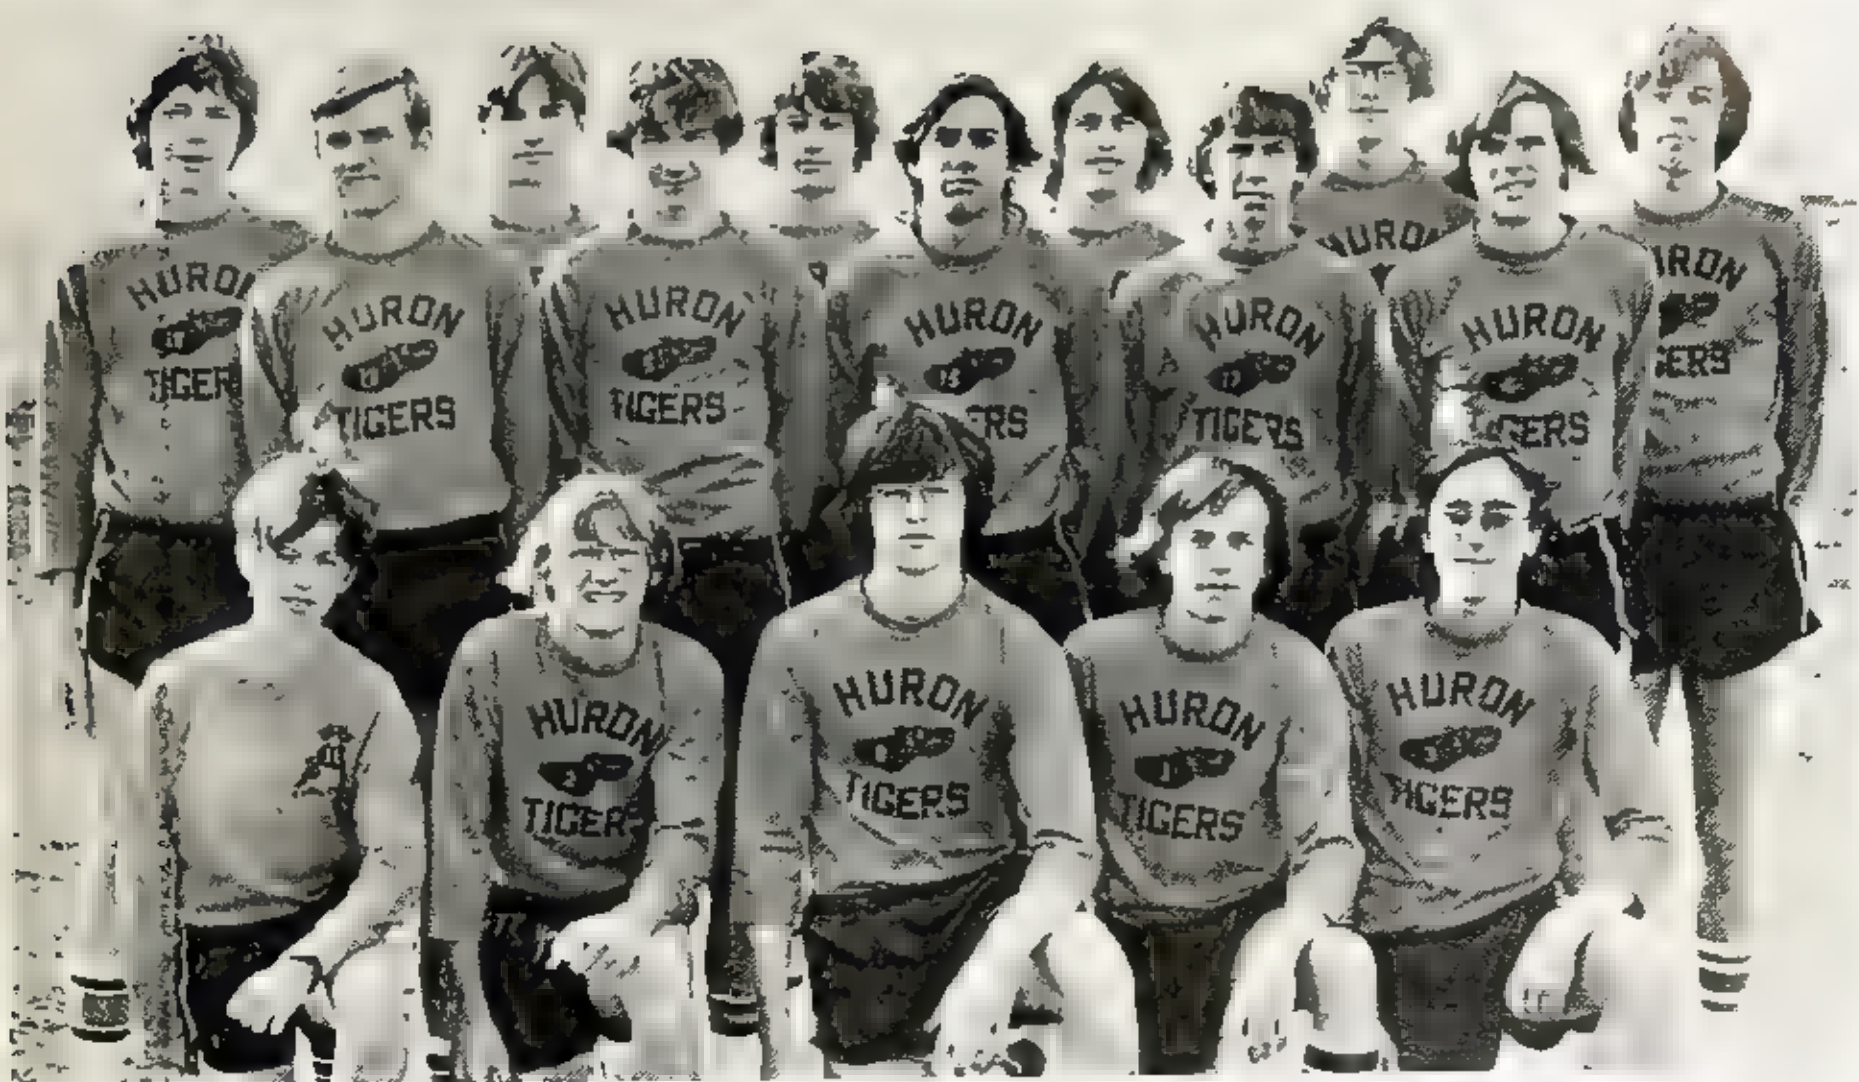

Head Coach: Leroy Stevenson

One of the most demanding sports offered at HHS is cross country. Although many boys were on the team, rules allowed only seven to compete in each meet. The team with the lowest score was the winner.

Most practices and meets were run on dry ground. The Harriers started off the season with two seconds, one at Redfield Triple Dual; the other at a five-team meet at Watertown. The Kernels proved strong with a 25-36 win over the Tigers at Mitchell, but Huron came back to defeat the Pierre Governors in the following dual 26-29.

Huron held its last dual with Mitchell but suffered a loss to the Kernels 29-30.

The Tigers took seventh in the Huron, Mitchell, and Watertown Invationals. Huron took eighth at the ESD Conference meet and fifth in Region III AA.

John Vosler was chosen most valuable for the 1976 season and Phil Maher most improved.

Tigers Have Progressive Year

Competing for the Tigers for the 1976 season were, front row: LeAnn McFarlane, Donna Voegele, Judy Hofer, Carol Poulisse, Sher Gutzmer, Nancy Kline, Venette Hofer. Middle row: Dorothea Dennis, Sandy Huber, Paula Konst, Kim Melstad, Robin Melstad, Ange a Larson. Back row: Rhonda Plueger, Jody Kludt, Julie Plueger, Sandy Lanam, Donna Podhradsky, and Deb Castle

The Huron Tiger girls' basketball squad was led to the State A Tournament for the second straight year by Head Coach Steve Hammer, and Assistant Coach Lorene Sorlien.

The Tiger girls showed much improvement throughout the season, with a balance of playing from everyone. The E.S.D. showed some of the strongest teams in the state with Huron ending up 14-8 over all, and 4-3 in E.S.D. Huron got major wins at Brookings (35-34), Pierre (37-29), Mitchell (39-28), and Madison (41-31).

First battling Cheyenne-Eagle Butte (54-48) and then Aberdeen Central (54-45), the girls won a place in the second Annual S.D. Girls State Basketball Tournament. Drawing Yankton in the first game, Huron lost (64-36) to a tough defensive team. Going into the

losers bracket, they played Lead. Suffering a disappointing loss, the Tigers lost (60-53) to a quick running team. Playing the Flandreau Indians and winning (68-45), Huron captured seventh place.

Several records were set during the season with Kim Melstad getting "Most Points in One Game" (33), and Rhonda Plueger getting "Most Rebounds in One Game" (23). Kim Melstad also got a state record of "Most Points in One Tournament" (75), and was awarded First team All-State, and All-Tournament team.

Co-Captains were Kim and Robin Melstad; "Most Valuable Player" was Kim Melstad; "Best Defensive Player" was Julie Plueger; "Rebounding Champion" was Rhonda Plueger, and "Most Improved" was Sandy Huber.

Sophs End Winning Season, 5-1

The Huron Sophomore Tigers followed suit with the varsity by giving an outstanding defensive performance in 1976 season. The sophs under the coaching of Bruce Maxwell and LeRoy Person finished with five shut-out victories and suffered only one loss, which was to Watertown 14-0.

The Sophs displayed a fine ground game, with Mark Schade handing the ball to the two leading rushers, Steve Butler and Roy Tschetter.

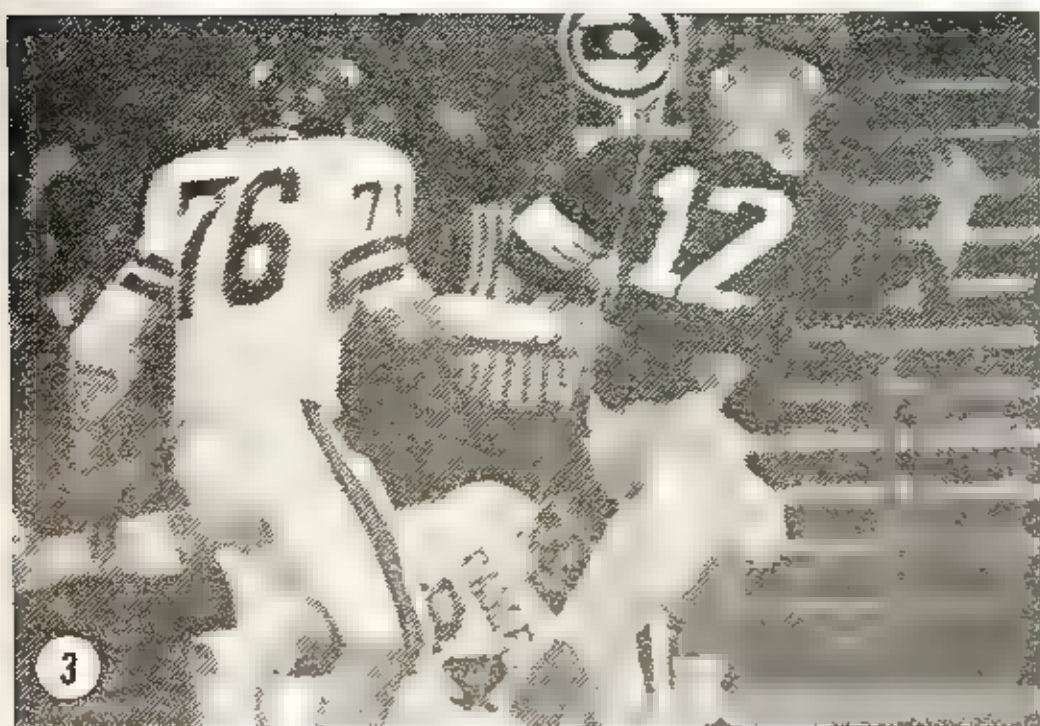

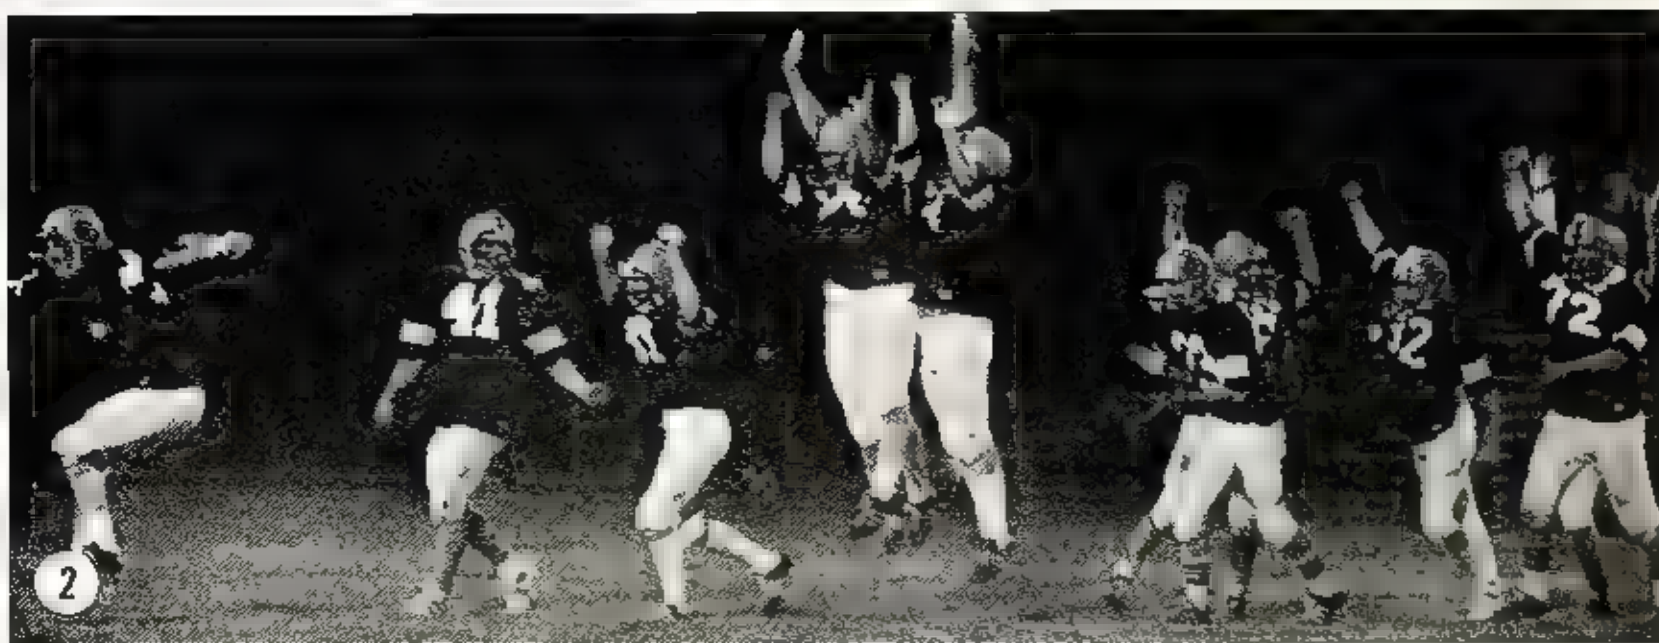

The defensive attack was lead by Shawn Vellek with 59 tackles and Brian Beach with 57 tackles and two interceptions.

Defense: Key ingredient in '76 showing!

Practice began late in August for members of the football team under the direction of the new head coach, Steve Swisher and the assistant coaches, Craig Ebert, Larry Wendt, and Bob Dubs. The Tigers finished their season with the most successful record since 1972.

The Tigers got off to a bad start with a loss to Sioux Falls Lincoln but came back to upset the Rapid City Central Cobblers in the Tigers' home opener. In their second home game, the Tigers stunning defense blanked the Brooking Bobcats 16-0.

With much Homecoming spirit and team effort, the Tigers posted their second shutout victory of the season by

defeating the Aberdeen Eagles 7-0. The Huron Tigers suffered their first conference setback to the Yankton Bucks 21-12. Many Tiger fans journeyed to Yankton to more than support their team.

In the following two games, Huron came back shutting out the Pierre Governors at home 20-0 and then traveled to Mitchell to stop the Kernels cold 13-0.

The Tigers escaped with a victory over the Watertown Arrows in the closing minutes with a score of 13-10. The Tigers finished the year with a disappointing loss to the fired-up Madison Bulldogs 18-0.

TIGERS FINISH STRONG

The Tigers were led by Head Coach Mike Vogel, student manager Frank Evans, Assistant Coach Bruce Maxwell.

Front: Don Jacobs, Steve Butler, Jerry Bockorny, Dennis Buckland, Rod Linafelter, Rick Jungemann, Kent Krueger, Kelly Lanam, Marty Porter. Back: Duane Haugen, Brad Simmons, Bill Hagemen, Scott McCaskell, Jeff DesLauriers, Greg Strommen, Dan Prue, and Sam Prue.

The Huron Tigers, hopeful of a better season, finished with a winning record but were disappointed in the end by missing a trip to state by two points.

The Huron Tigers were set back in their opening game by a fast-breaking Stevens team, but came back with four straight victories.

The Tigers won their ESD opener against Pierre. Rick Jungeman lead the scoring with 20 points. The Huron cagers then traveled to Brookings to capture their second ESD victory.

They were again victorious in a Eastern South Dakota conference game by defeating the Arrows in a close homegame 61-59.

The Aberdeen Eagles stopped the Tigers winning streak with a second quarter scoring spree 54-74. Once more, the Tigers were handed a disappointing loss by the Yankton Bucks to change their ESD Record to 3-2.

Huron lost to Mitchell 51-55 but came back and three more teams saw defeat as the Tigers rolled over Madison 56-39, Pierre 51-50, and Brookings 48-46. Watertown, after losing their first game with Huron got revenge by defeating Huron 55-60. Miller defeated Huron with a come-from-behind score 51-64. The Tigers were beaten again by Aberdeen and Yankton.

The Tigers finished the regular season on a winning note by getting revenge on Mitchell 48-46 and rolling over Madison 70-53.

In the opening game of the Section 4 Basketball Tournament, Huron trounced Aberdeen Roncalli to earn a spot in the Section Championship. Huron battled first-ranked Aberdeen Central to the wire, but ended up behind by two at the final buzzer. Aberdeen went on to win the State Championship.

Coach Mike Vogel worked hard and put in a lot of time for the Tigers, but surprised everyone by submitting his resignation at the end of the season.

The Huron High Junior Varsity basketball team continued on their usual winning ways. The team was not exceptionally tall but turned in a fine season, coming away with 8 wins matched against only 2 losses.

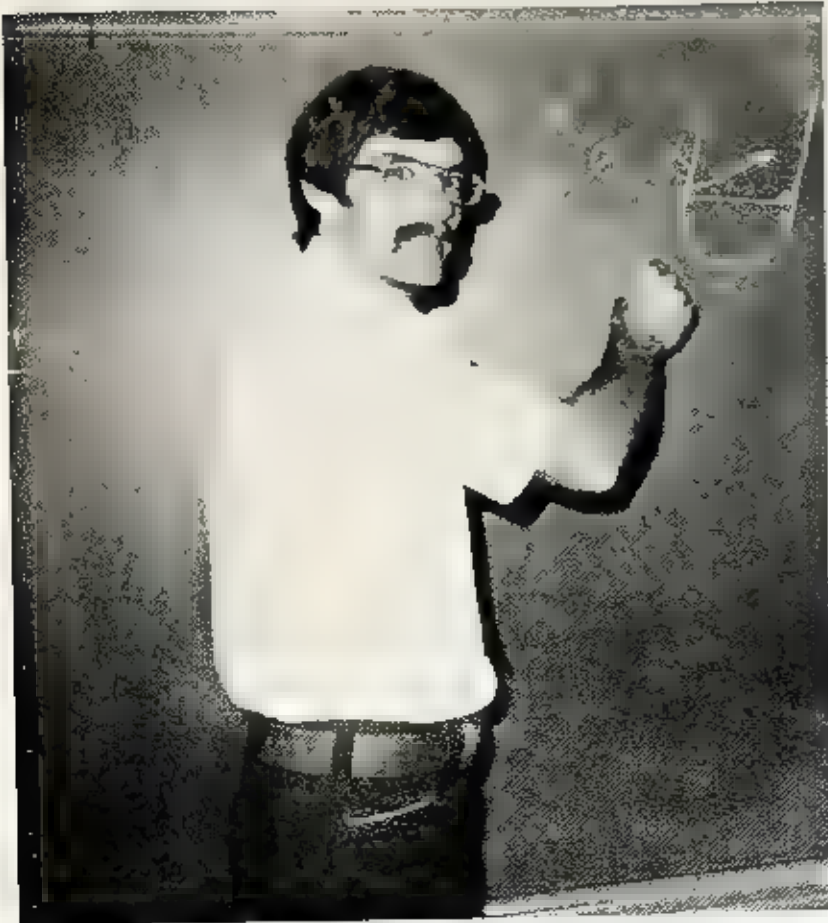

The team reflected coach Bruce Maxwell's attitudes and desires toward the game and the season.

Team statistic leaders included Steve Butler, and Brad Simmons in scoring. Rebound leaders were Kent Krueger, and Duane Haugen. The team outscored their opponents 555 to 470 and shot a respectable 41.6 per cent from the field.

This year's Junior Varsity squad included: Sam Prue, Kelly Lanam, Kent Krueger, Don Jacobs, Marty Porter, and Duane Haugen.

Coach Lyle Pearson is shown here plotting another one of his winning strategies.

The Huron Sophomore basketball team found the going rough in the ESD, but managed to come on at the end of the season to finish just under the 500 mark in conference play and boasted a 7-10 over-all record.

Though lacking in height, they played good pressure defense and were able to stay with all of their opponents. Although their record didn't show it, the team never lacked spirit or intensity.

Head Coach Lyle Pearson stayed with the team, kept them together in pressure-packed situations, and provided the necessary inspiration for the Soph's physically demanding season.

Wrestlers Gain Experience

Huron wrestlers got off to a slow start, improving some throughout the season, but hindered by lack of experience. The Tigers had only four seniors on the squad.

The opening match for the Tigers ended in a defeat when the Redfield Pheasants had a come-from-behind victory 32-26. The Tigers traveled to Rapid City for an eight Team Dual Meet only to return winless and disappointed.

The Tigers worked hard for two weeks and they finished 5th in the Sioux Falls Washington Wrestling Invitational. Brad Matke claimed the only individual title.

The Tigers were over-powered by the Webster wrestlers 30-18. The Tigers won their first wrestling dual of the season by defeating the Yankton Bucks, 34-16. Third-ranked Mitchell won 9 of 12 matches against Huron in an Eastern South Dakota Dual. The

powerful Sioux Falls Washington team handed the Tigers another defeat 36-15. The Huron wrestlers came up with their first ESD victory against the Madison Bulldogs 32-23. The Pierre Governors recorded their 8th straight victory over Huron on Huron's home mat. The Brookings Bobcats came from behind with three pins to beat Huron in an ESD match.

The Tigers, hoping for an upset over Watertown, were disappointed as they ended up with a loss. The Tigers overcame Aberdeen Central with a late rally in Huron. The wrestlers chalked up another win by defeating Miller.

The Tiger Wrestlers were coached by Dick Bleth. Coach Bleth resigned after four years at Huron. He had great success, including four individual state champions and high finishes in Section I tournament at the state level.

Grace, Balance and Skill

Grace, balance, and skill seasoned Girls' Gymnastics at Huron High. Heads were higher, backs straighter, toes pointed, routines were cleaner, more polished, and tricks of superior difficulty were demonstrated by all.

After two years of building, with emphasis on learning and improving, this year's gymnasts looked more like seasoned competitors, with the emphasis on winning.

New faces filled the lineup, as experienced freshmen and senior high gymnasts made a name for themselves, under the direction of Linda Kuhn, third year coach, and Linda Cummings, first year assistant coach.

Lifting weights, and sharing the St. Martin's gym, the girls found gymnastics to be both fun and rewarding. Meets were exciting affairs as Huron High girls saw their scores rapidly catching up with those of their more experienced opponents.

For the younger girls this was only the beginning, and for the seniors it was a great way to finish out the year.

Placing fifth at E.S.D. and third at the Region Meet, four gymnasts qualified for the State Gymnastics Meet. Qualifying for State were Skye Humphrey, Floor Exercise; Suzanne Roache, Floor Exercise; Sharon Bisch, Uneven Parallel Bars; and Janet McHenry, All-Around Gymnast.

The Huron High School boys' track team started the season off with a "BANG", which was only appropriate for probably their best season ever. In the season opener, the Tigers walked over rival Aberdeen Central High, scoring 90 points compared to only 40 for Aberdeen.

Huron, strong in field events and boasting an unusually young and talented sprint corps, remained undefeated in dual meets. Their next meet was the prestigious Corn Palace Relays; there were no team points kept but the Tigers again made a fine showing.

Huron came out on top of the field at the Aberdeen quadrangular held at the newly completed Clark Swisher Memorial Stadium. A determined Watertown team, led by running ace Brent Kannas, finished second trailing by only 18 points at the conclusion of the meet.

The Tigers carried on with their winning ways as they rolled to the Madison Invitational crown.

Huron was finally defeated by Mitchell at the Huron

Invitational Track and Field meet, but the word was out that the Tigers were getting ready for an important upcoming ESD meet that would be held at the end of the week in Madison.

Huron went into the meet as a slight underdog to the conference favorite Yankton Bucks. The meet was even closer than expected, with the results coming down to the string at the end of the mile relay. If Huron could win the mile relay the meet was theirs, but if they didn't win then Yankton would emerge champions. Huron's Roy Tschetter held off a Watertown surge to win the race, and the team won the coveted conference championship.

The tracksters ran away from the competition at the Region meet to land 14 athletes at the state meet. The Tigers finished a not-so-distant second to Rapid City Stevens in the State Meet for the best showing ever compiled in HHS history, under the leadership of Head Coach Leroy "Buzz" Stevenson.

Region Four Champs

Having the first track meet of the season cancelled, the Huron Girls' Track Team sprinted into their busy twelve meet schedule. They won a first place team finish in the Region Four and qualified 14 girls for the State Meet in Huron, May 27, 28.

Breaking records highlighted the girls' season with new records being made in the shot put, discus, long jump, 100, 220, and 440 yard dashes, 880 and mile run, 440, mile, and 2 mile relays, and the 180 yard hurdles.

At the State Meet, Huron took a fourth place finish from Jolynn Kludt, Kelly Winters Julie Plueger, and Aleda Decker in the 440 yard relay. Aleda Decker and Paula Knost both won individual medals for a fourth place finish in the 220 yard dash, and a fifth place finish in the discus.

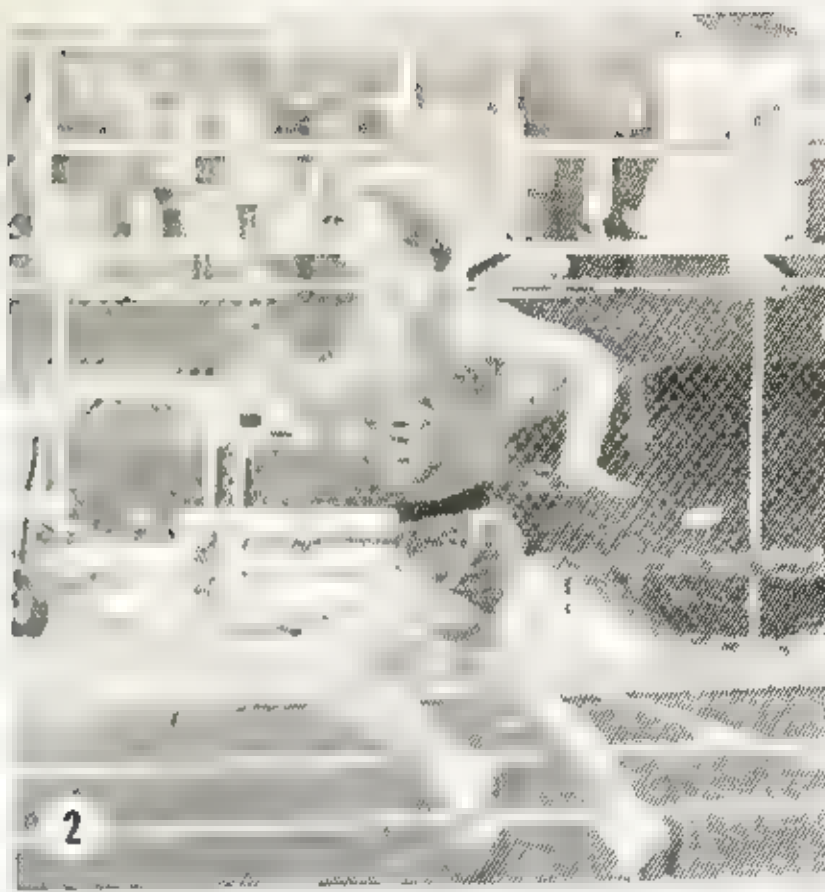

With no seniors out this year, younger underclassmen played a big role on this year's team, and next year's new track coach is looking for a bigger and better season.

At the annual track picnic Julie Plueger and Vicki Coyle were named Co-Captains, and Julie Plueger The Sportsman award.

Golfers Finish Second In State

Huron golfers won their first dual against Miller and then went on to win three ESD conference duals with Mitchell, Aberdeen, and Madison. The Huron Country Club was the location for the triangular meet with Brookings, Aberdeen, and Huron where Huron stroked to another victory.

Huron Dual	First
Mitchell Dual	First
Aberdeen Dual	First
Huron Dual	First
Huron Triangular	First
Pierre ESD Conference	First
Aberdeen Regional Meet	First
Aberdeen State Meet	Second

Huron golfers then traveled to Pierre for the Eastern South Dakota Conference golf meet and finished one stroke ahead of Brookings to capture the ESD Championship. Huron was led by Dave Syring with an 81 and Jim Entwisle and Mark Lee close behind with 83's. The Tigers walked off with the regional crown and an unbeaten record. Glen Herrick paced the winning Tigers with a 79.

The Tigers had some bad luck at the State Golf Tournament and finished second, one stroke in back of Sioux Falls O'Gorman. Jim Entwisle fired a 149 two day total to take second in individual honors.

Members of the 1976-77 Huron Tiger golf team were, from left: Jim Entwisle, Rich Bales, Scott McCaskell, Bruce Tschetter, Tim Flanery, Glen Herrick, Loren Clifton, and Mark Lee.

Girls Place Second at State

The Girls' Golf Team chipped their way into a respectable season ending up 4-4 on the year. Coming out victorious, the girls placed fourth at ESD in Mitchell May 16, and captured second as a team in the State Tournament May 23 and 24 in Aberdeen. Nancy Heuston received an individual award placing seventh.

Members of the 1977 Girls' Golf Team were front row: Lisa Berg, Nancy Heuston, Shelly Teier, Lisa Masters, and Pat Stovall. Back row: Kellie Walker, Belinda Shelton, Sheri Schoepf, Susan Schoepf, Robyn Hittie, and Jennifer Melby.

Start the Stone Rolling

Huron's tennis team, which had trouble in the past, turned over a new leaf this year under the guidance of Coach Hank Hulst, and the leadership of senior returning lettermen Daryl Dornbush, Wade Johnson, and Craig Potter.

The Tigers were top-notch contenders for the conference tourney; they established a very impressive dual record of 5-1, before going on to a respectable finish in the state meet. The stone will continue to roll in years to come with a good crop of underclassmen returning.

Varsity tennis players shown, left to right, were: Wade Johnson, John Hoyt, Daryl Dornbush, Todd McGillick, Dave Englert, and Craig Potter

. turned up the first day, most of the girls returning once again for another season. Those eager faces soon dropped as Coach Hank Hulst outlined his plans for extensive running and sprinting drills. But realizing things would be tougher for them this year, as they lost four out of seven matches, they were ready to work.

So with great pleasure, the girls kicked the regular loafing Huronians off the courts, and if they didn't move, "the Tigers" would hit them! The girls got outside every possible day—15 girls trying to play tennis on the four concrete courts. After an hour and a half of playing tennis, working on serves, backhands and forehands, and running the park, we were ready to run "suicide" sprints. Gasping for air and weak-kneed, the girls straggled off the courts.

The first meet. Onto the courts walked superb athletic specimens ready for action. "Suicide" sprints and park running paid off as "the Tigers" beat Mitchell 10-0. As the season progressed, the team found the going tougher than in years before. They gained competitive experience, and with it came confidence and with an interest shown by underclassmen, future years should be even better.

The girls' coach for the 1976 season was Hank Hulst

1945 Cheerleaders Promote Spirit

The varsity cheerleaders, made up of two seniors and six juniors, were divided into two squads this year to give the crowds variety. By rotating with football, girls' basketball, boys' basketball, and wrestling the cheerleaders brought excitement to all. From bottom to top: Tanya Harris, Gail Sanderson, Laura Brinkman, Faith Dahl, Shirley Andol, Teresa Malikowski, Kristi Swenson, and Nancy Olson.

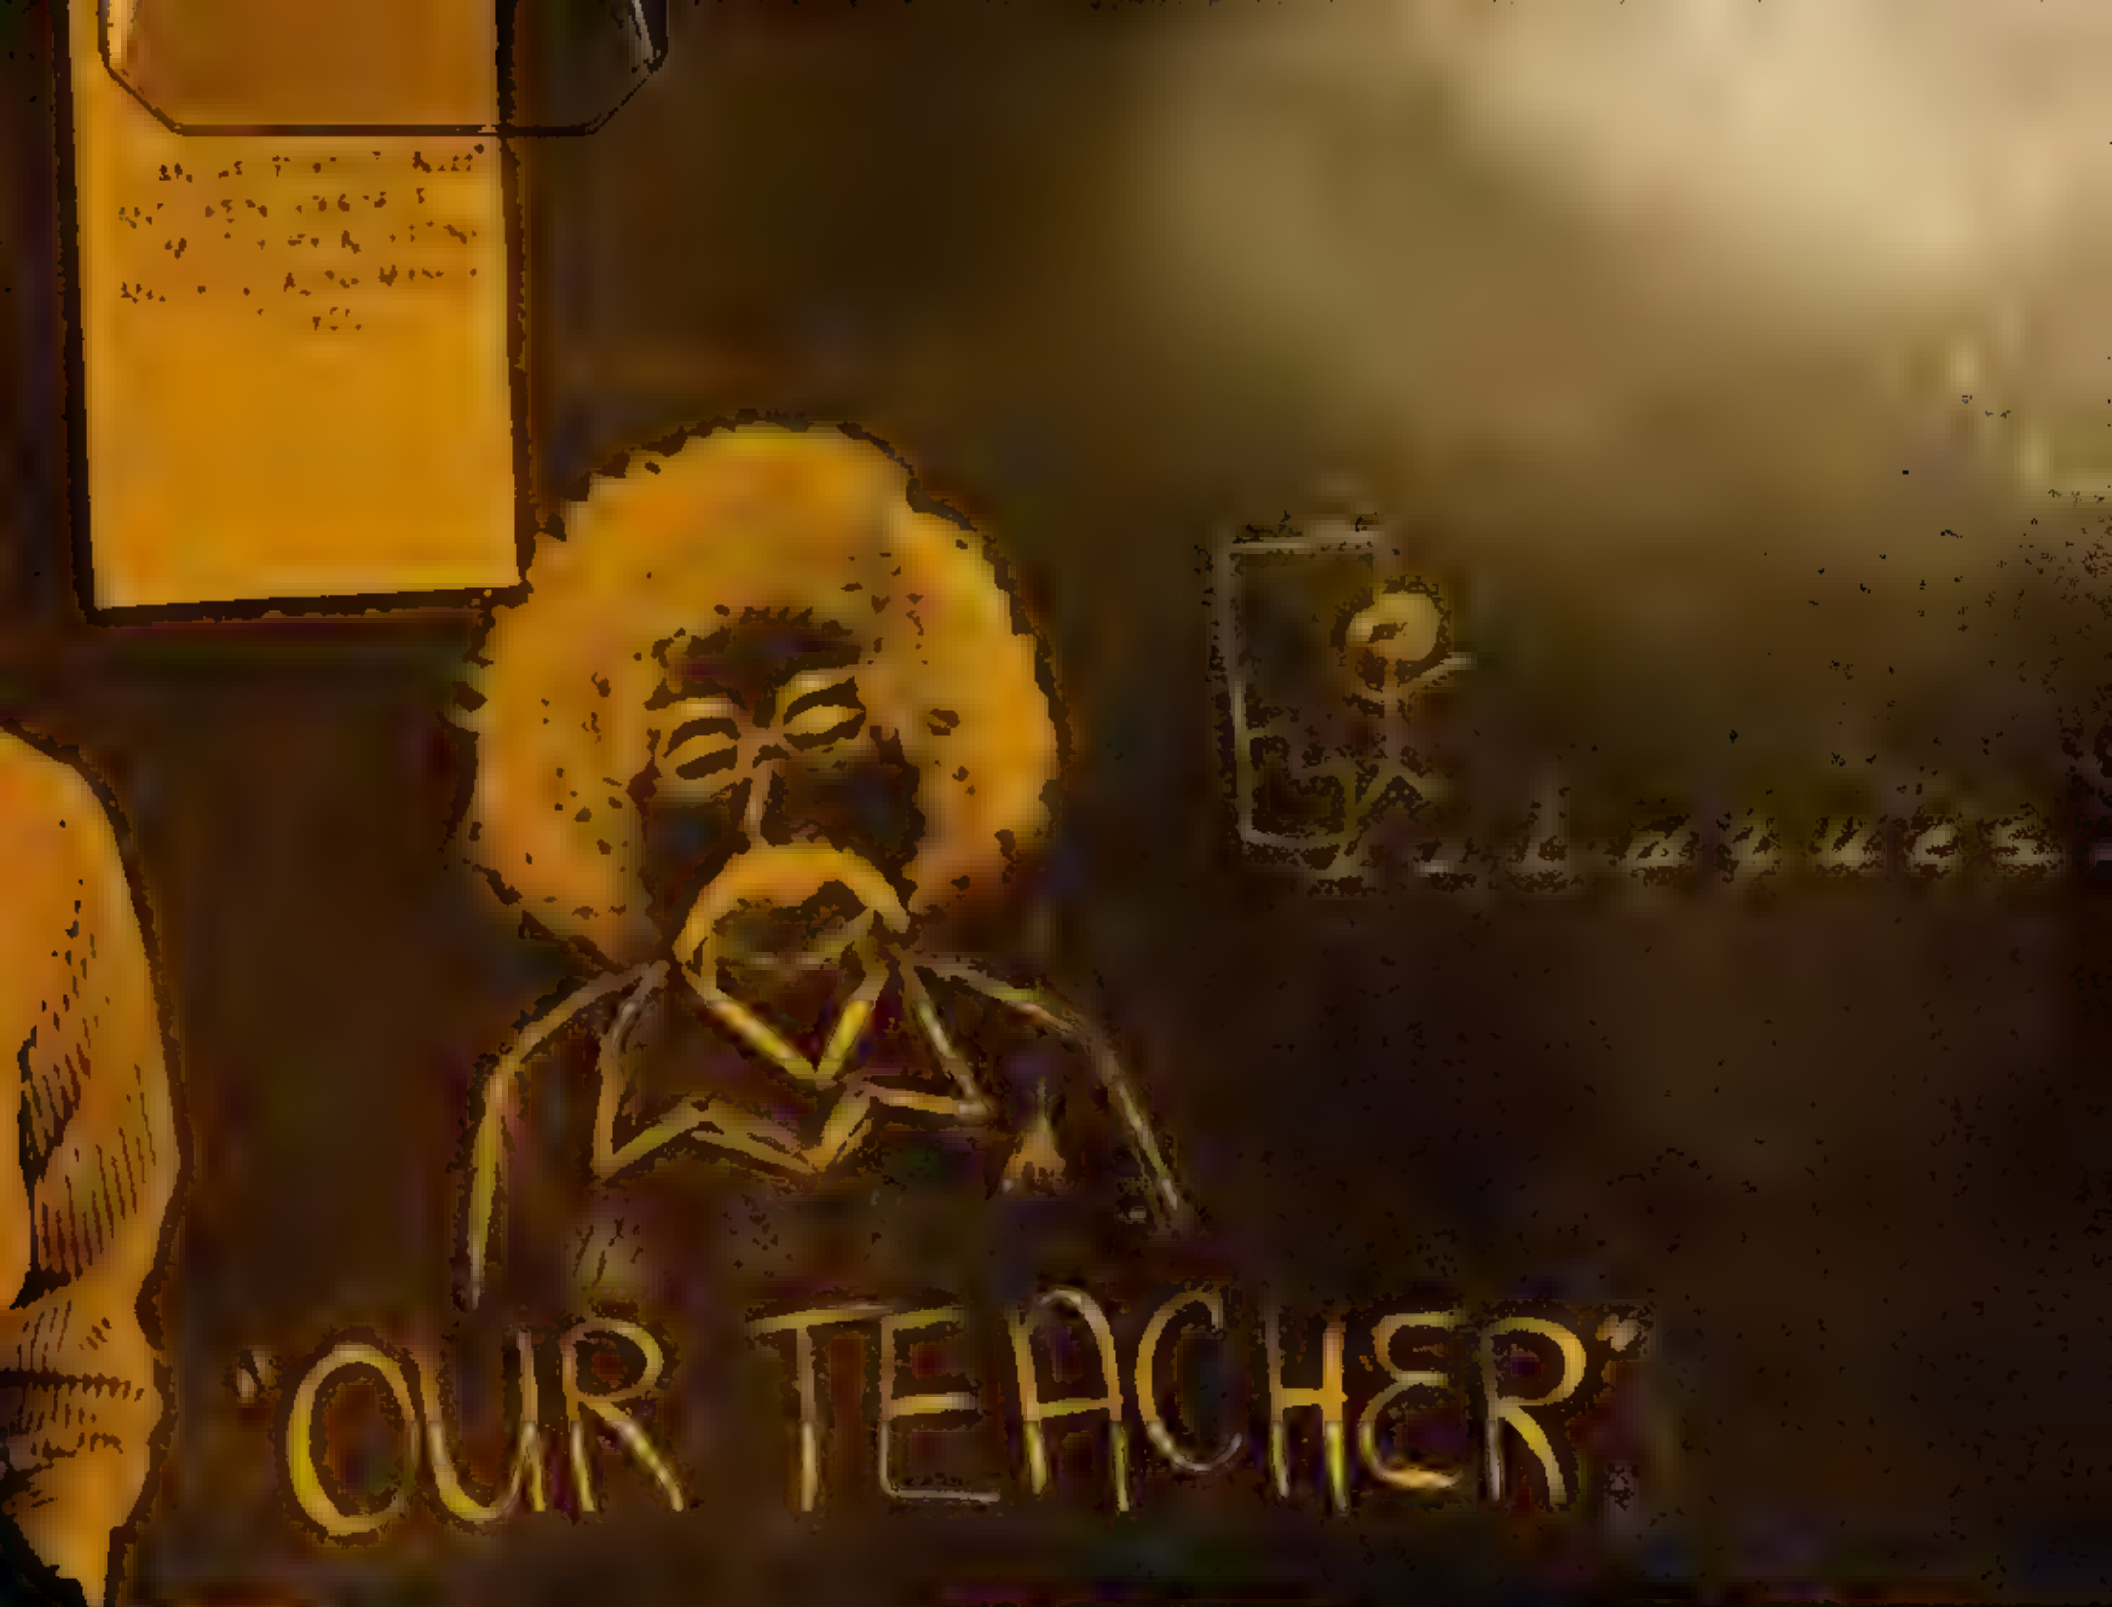

1. The Huron High School sophomore cheerleaders brought spirit and delight to their Tiger fans. Not only did they cheer in and out of town for the sophomore Tigers, but also assisted the varsity cheerleaders in various ways. These cheerleaders include, front row left: Kristi Eskew, Julie Janes (sitting), and Sherry Lusch; back row left: Mona Davis, Debbie Gutzmer, and Paula Almond.

Varsity cheerleaders were: 2. Faith Dahl, 3. Laura Brinkman, 4. Gail Sanderson, 5. Kristi Swanson, 6. Teresa Malikowski, 7. Tanya Harris, 8. Nancy Olson, and 9. Shirley Andol.

Board Directs School Policies

Charged with the large responsibility of determining the policies and general directions of the Huron Public Schools is the five-member Board of Education of the Huron Independent School District. Elected by the residents of the district, the Board must weigh all angles of controversial issues and then make the final decisions in what it feels is the best interests of the taxpayers, as well as the 3374 students in the Huron Public Schools.

Assisting the Board in handling many of the complicated and technical activities of the district is the Superintendent of Schools, Dr. Lloyd W. Turnwall. Dr. Turnwall's knowledge and advice also play important roles in running the school system.

Other key positions in the administration of the school district's business are held by Robert Taylor, assistant superintendent, Milton Walsh, clerk of the district and manager of the Huron Arena, and Eldon Dahl, district treasurer and assistant arena manager.

Members of the Board of Education during the 1976-77 school year were, Robert Rademacher, Gordon Magness (vice-president), Ronald Manolis (president), Joan Hintz, and Neil Koch.

JAMES SOLON, Principal

Office Does It All for You

Principal's Message

In the fall of 1965, I became the Principal of Huron Senior High School. Also, in the fall of 1965, the class of 1977 entered the first grade.

So together we have completed a twelve year educational experience.

1976-77 has been a good school year—for sophomores, for juniors, and for the seniors of '77. Our academic program has expanded with the addition of a vocational program and a recently completed new vocational facility. This school has hosted several state events, e.g., in athletics, in forensics, in music. Members of the student body have been recognized both for significant academic and activity achievement.

The end of the school year is a combination of nostalgia and anticipation. For we wish good luck and Godspeed to the class of '77. And we look forward to the future return of the classes of '78 and '79.

Science and Math Courses Open New Doors for Many

Many science and math courses are offered here at Huron Senior High. Those interested in math have a choice of taking geometry, Algebra II, College Algebra, trigonometry, and Senior Math. Science courses include chemistry, Advanced Chemistry, physics, biology, and Advanced Biology.

1. Mrs. Dyess gives a small demonstration on how to use the microscope.
2. "Flake" perfects his Pineapple no. 18
3. Calculators make chemistry easy for Gall Sanderson, Marilyn Hofer, and Ray Horn.
4. Mr. Peters gives Dana Curtis some pointers on how to solve algebra equations
5. Mr. Wold's class of geometry has a "questions and answers" session.

Social Sciences Give Students Better Understanding of Today's World

Students at HHS have an opportunity to participate in a wide variety of Social Science courses to give them a better understanding of the world today.

These courses include Government, American History, World History, Psychology, Sociology, and Contemporary Affairs.

Government, required of seniors, covers the functions of federal, state, and local governments, while American History, which is required of all juniors, familiarizes them with the major happenings from

the Civil War to the present. In World History students take a close look at the backgrounds of other countries around the world. Psychology and Sociology cover the behavior of the individual and group behavior. In Contemporary Affairs students learn and study the events as they take place in our society today.

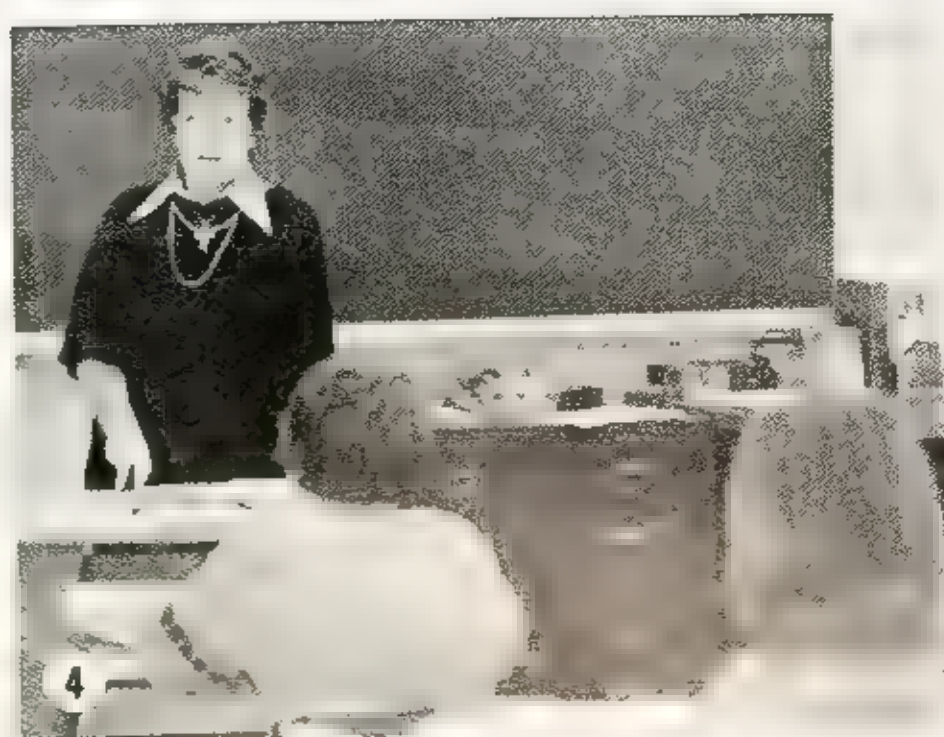

World History, Psychology, Sociology, and Contemporary Affairs are all Electives from which the students may choose.

1. Mr. Dubs explains income tax procedures to Brenda Vensand.

1. Mr. Stevenson agrees with one of his students in American History.
2. Mr. Ebert lands in jail while playing the game "Ghetto" in Sociology
3. Mr. Vogel gets help with his Current Affairs class from Rod Linafelter.
4. Mrs. Vangsnes explains the different traditions of the African natives.

Manual Arts Courses Prepare Students For the Future

A variety of manual arts courses are offered to students of HHS to help them prepare for the future.

The classes offered are: electronics, home mechanics, basic electricity, power mechanics, metal shop, general wood, drafting, architectural drawing, home economics, food service, chef's training, and child care training. Through these courses, students gain practical skills and experience.

Students are given opportunities to receive on-the-job training through Distributive Education, Diversified Occupations, and Office Practice.

1. "When do we eat?" shouts Faith Dahl.
2. Mr. Maxwell aids Debbie Breck in DEDO.
3. Teachers aide, Mrs. Wilcox and senior Wayne Iverson help sophomores in industrial arts
4. Don Brice puts the finishing touch on his architectural etchings.
5. "Craig, what kind of herbs are you using?"

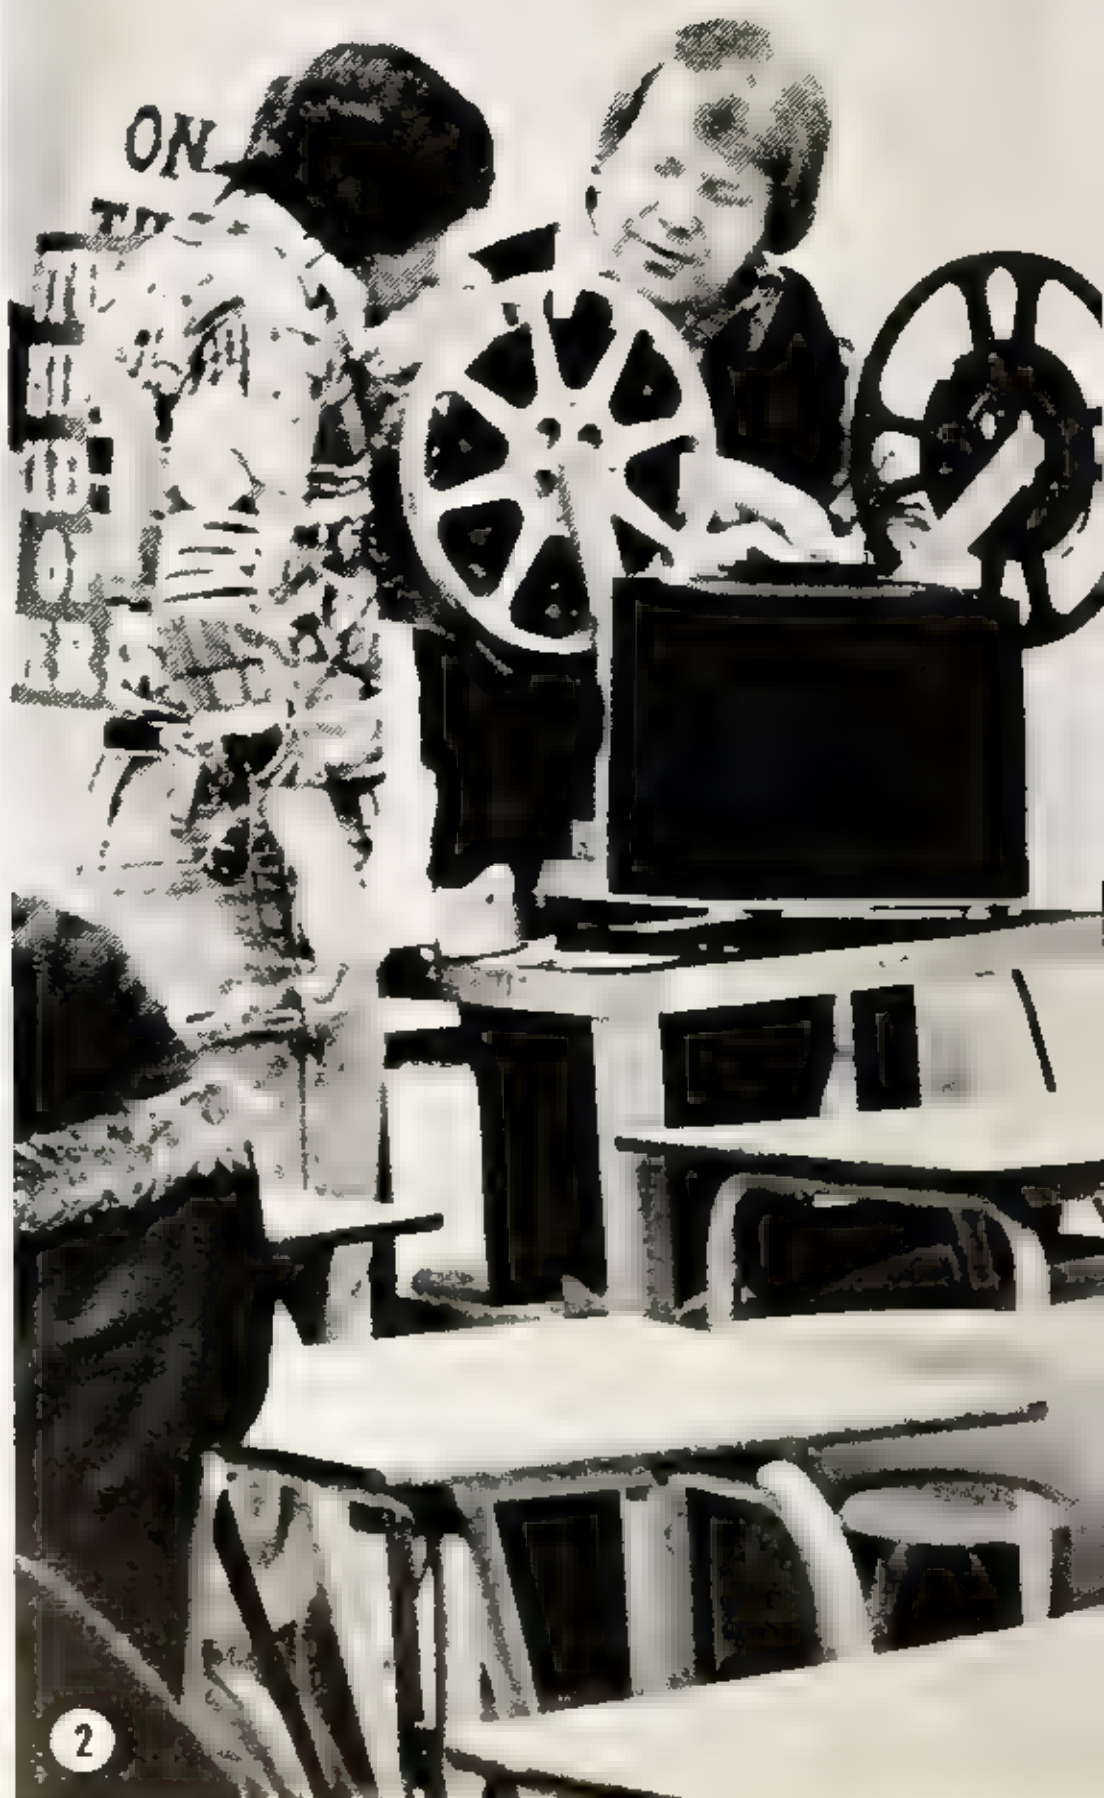

Numerous Business and Language Courses

Numerous Business and Language courses are offered at HHS. Business courses offered are bookkeeping, business math, business law, shorthand, and typing. Through these courses, students can achieve the skills needed to work in today's business world.

Language courses here at HHS are available in order for the student to know and understand more of our language and others. They include English 10, in which the sophomores receive the basics in grammar and writing techniques for one semester. The second semester sophomores have the choice of journalism, looking at language, words at work, reading, or business communications. Juniors are required to take American literature while the seniors study either survey of American literature or British literature with the same electives as sophomores including creative writing, advanced creative writing, and exposition.

Both German and Spanish courses are available in four-year courses.

Offered at HHS

1. Now is the time for all good men to come to the aid of their land
- 2 "That'll teach you not to put your finger on the film when the projector is running," shouts Scott to Mr Hoff.
3. Lane Robeson "begs" for help from Mrs. Hanson
4. Mrs. Melius answers a question for Julie Galliger in business communication.
5. Mark Reilly patiently helps Mrs. Wilson with her bookkeeping

Flexible Scheduling Provides Variety Of Areas For SRT

Flexible scheduling enables students to study on their Student Responsibility Time (SRT) using either the library, resource center, commons, or the lounge as an area of study.

The library has mainly a quiet atmosphere for independent study. Various sources including audio tapes, newspaper, and magazines are available for student use.

English and social science materials are available to students in the resource center upon request. Students may also visit after asking permission.

The commons is an area set up for group study as well as conversation.

For students needing a break during the day, the lounge provides a very relaxed atmosphere. Pop, candy, and music from the jukebox are only a few of the attractions.

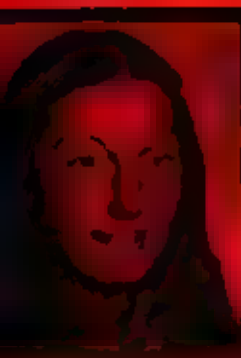

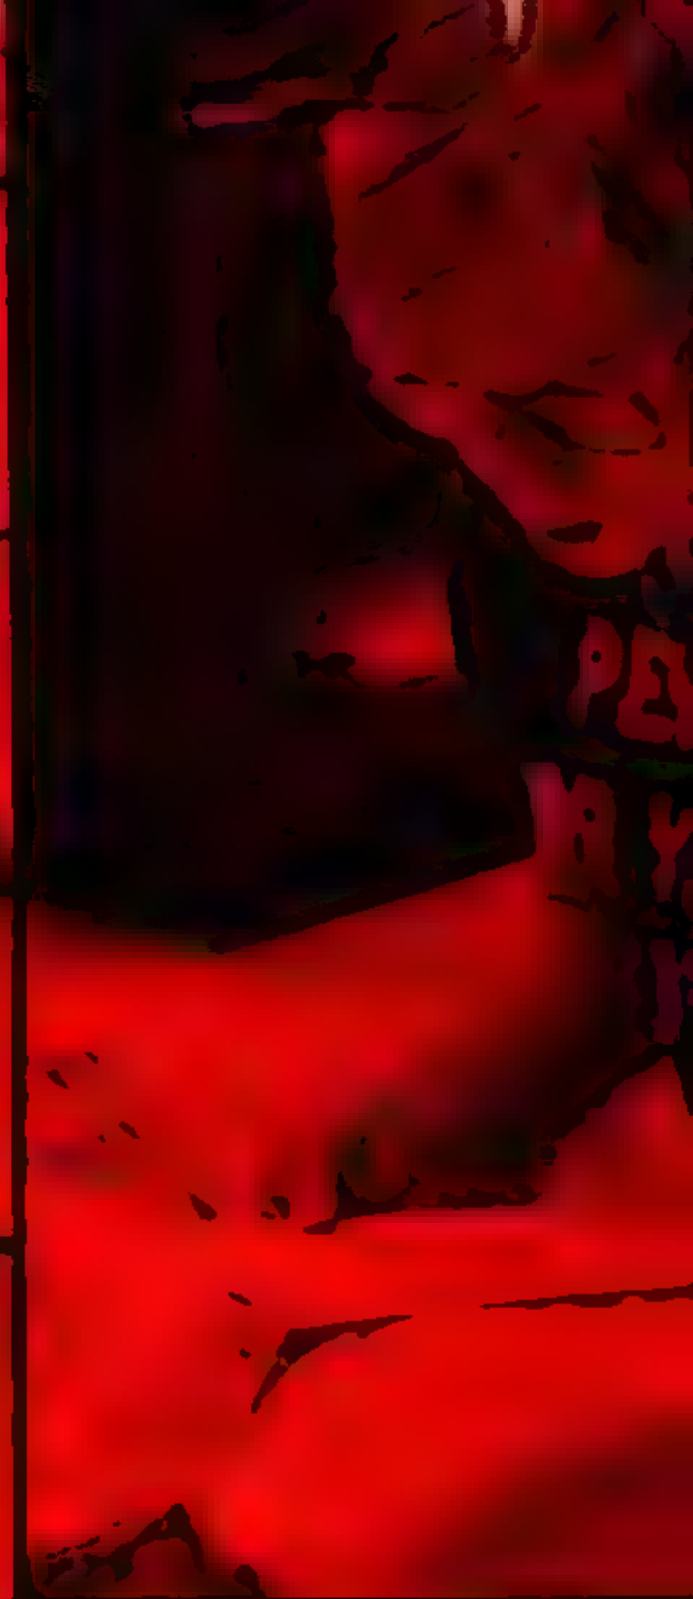

- 1 "Look like we're studying, Mrs. White's coming"
- 2 Jeff Zwanziger finds the library a quiet place to study
- 3 Students find music, pop, and laughs in the lounge
4. Cathy Jorgenson reads in the peacefulness of the library
5. Tim White finds time between studies to find out what the "other world" is doing

Class of 1977 Prophecy was read by John Jacobson and Lane Robeson.

Senior Brunch

Seniors were spellbound by the antics of John Jacobson and Lane Robeson at Senior Brunch.

Brunch was held at 8:00 A.M. graduation morning . . . a little early for some, but well-attended.

Nita Jungemann and Mike Whitney entertained the breakfast-eaters with their lovely voices

MC's for the program were Joan Stafford and John Wollman

Introducing . . . The Class of 1977

The Class of 1977 had a short breath of air before they marched into the stuffy arena.

The ninety-first annual commencement exercises began with Baccalaureate services on Monday night. Rev. Dale Nash gave the sermon and Bill Hageman read from Scripture. A flute solo was played by Vicki Neitzel.

At 8.00 p.m. Friday, June 3, 1977, 257 seniors marched into a very hot arena. Laura Brinkman, Joan Stafford and James Meyer spoke on the class motto, followed by the presentation of diplomas to the class of 1977

Sandy Huber, Paula Konst, Patricia Pikelapp and Dianne Rudy led the Processional.

James Meyer — Student speaker

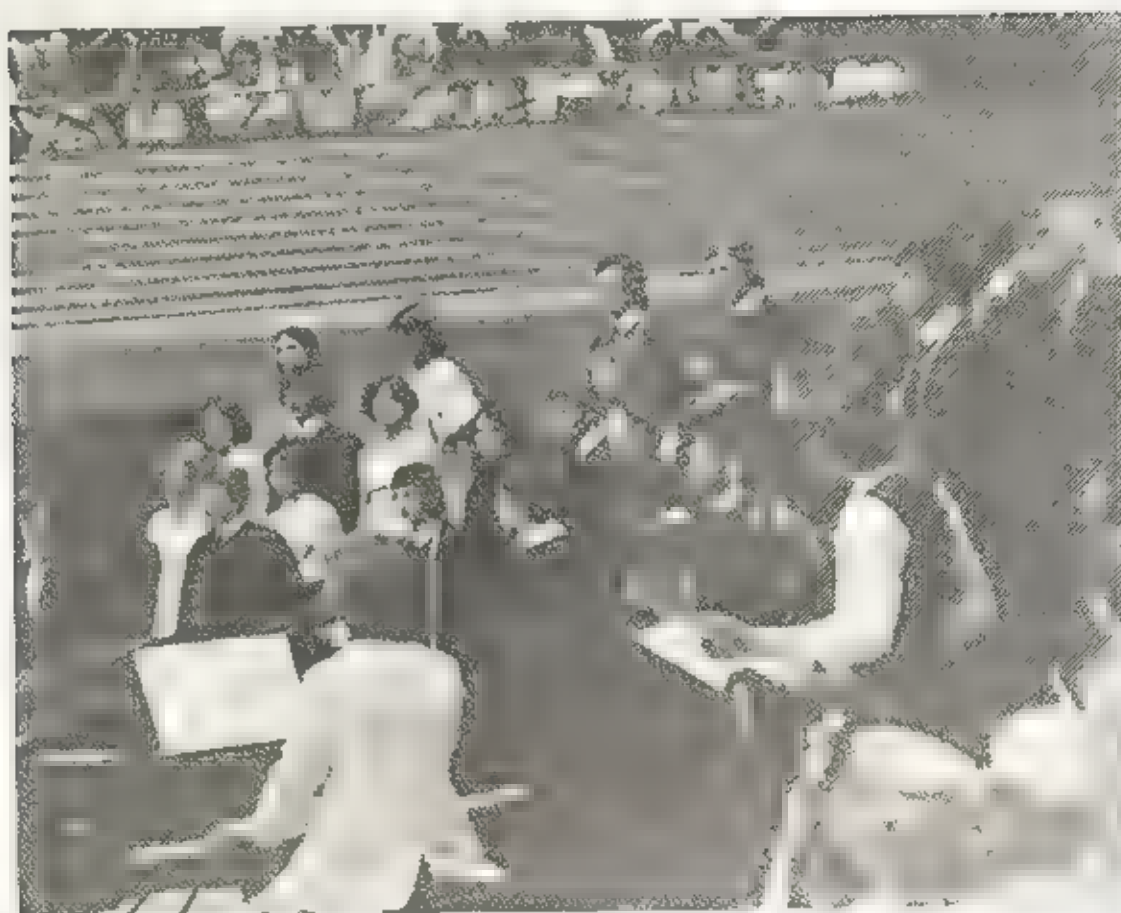

Student Senate president Mark Reilly offered the Invocation and Greg Starnes gave the Benediction to close the commencement ceremonies.

*Now Is the
Time to Look
About You,
For What
You See May
Never be
Again.*

Laura Brinkman — Student speaker

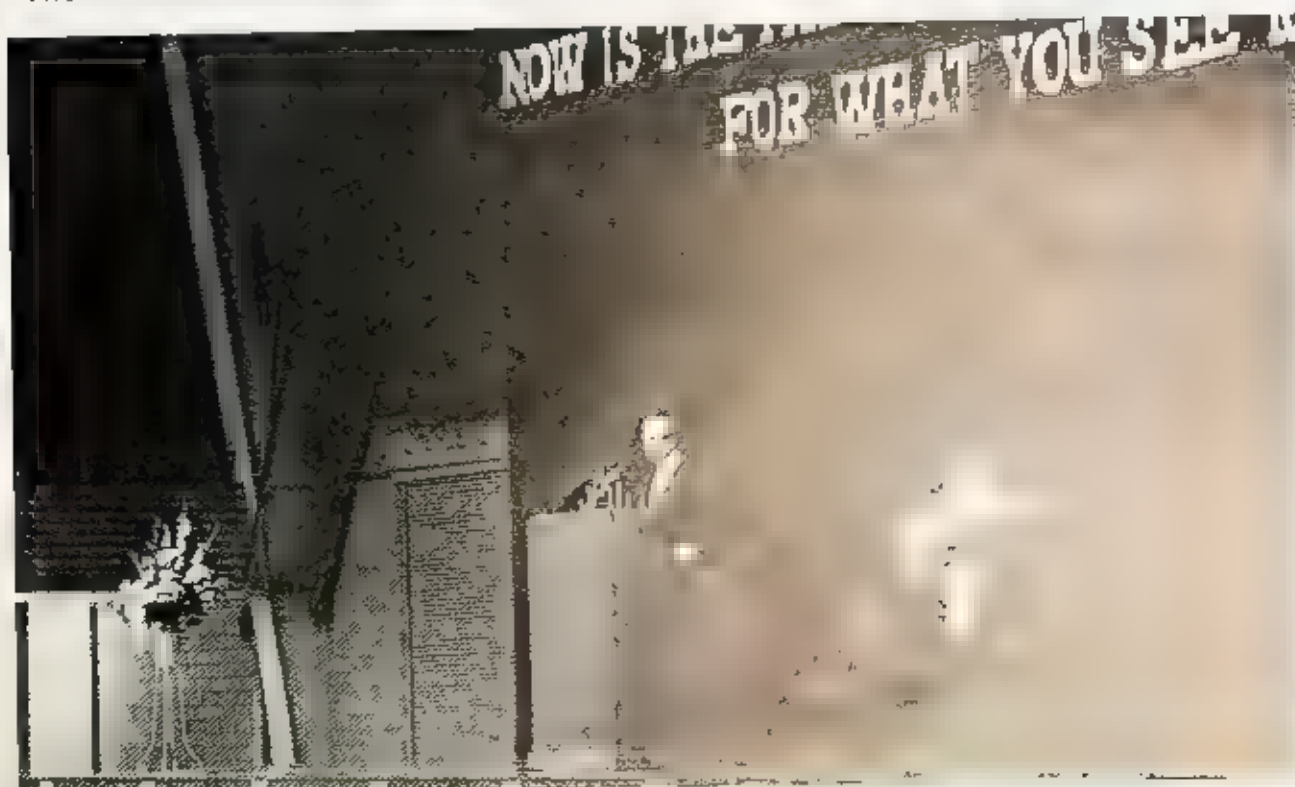

Madrigal Singers set the mood by singing "We May Never Pass This Way Again."

Joan Stafford — Student speaker

The Baccalaureate sermon was given by the Rev. Dale Nash of the Wesleyan Church.

Earn Honors

And now this moment we call "time" is gone
Only quickly fading images remain
But, when reflected by that Mirror of the Mind,
Life may grow—
